QHSE SOLUTIONS

a complete solution to quality, health-safety and environment

The Company

QHSE Solutions is a multifaceted ISO 9001 certified Consultancy Company. This company with a strong and experienced team of consultants has been lending reliable service in the Middle East since 2001.

QHSE Solutions is duly approved by the Dubai Municipality for Environmental-Safety and food safety consultancy. This company ever since its inception has been instrumental in implementing QHSE Systems to many of the business establishments here in the Middle East. And in a very short period, has consolidated his stature as one of the leading service provider in its category.

Our Vision

Lead the Consultancy business in developing and promoting standards, technologies, and training services to empower organizations in the management of QHSE (Quality – health-safety-Environment)

Our Mission

To be the global leader in Consultancy business, building on our technologies, competencies and customer interests, and creating value for customers.

The Values that drive us

Our values are at the heart of our business reputation and are essential to our continued success. We foster an environment to instill these values in every facet of our organization.

- Customer first
- Good corporate citizenship
- Professionalism
- Commitment to quality
- Dignity of the individual
